**In Our Thoughts & Prayers**

1. Please thank God with us for Jerry Nelson's ministry here this month. Pray that God would speak through him and that as he blesses us, we would also be a blessing to him.
2. Let's continue to pray for the Trustees and the church budget as the Trustees meet together on Tuesday night. Pray that the hearts here at Belleview would be open to hearing God's call to give. Pray that the Trustees would feel leadership from God on how best to spend that money.
3. Join us in continued prayer for Craig and Fabi Jost who were here at the beginning of August. They continue to travel the United States raising support and need to find financial and prayer partnership with at least 6 new churches and 30 individuals. Please pray for the Josts and the rest of their team to receive clarification from God to the exact location He wants them to move.
4. Pray for the Sages who will be meeting on Friday night. We ask for an edifying meeting that might encourage others in their walk with Christ.
5. Please be in prayer for all of our ministry leaders as we prepare for our Fall and Winter programming. Pray for wisdom to use our resources effectively and pray for God's power so that we might accomplish His purposes.
6. Please pray for Dennis Simonich who will be having surgery on Tuesday afternoon at 2:30 p.m. Please pray for wisdom and skill for the doctors who will be performing the surgery. Please pray for a quick recovery and a complete healing.
7. Baudouin & Marie-Brigitte Nsulunka are pastoring in Durban, South Africa. They request prayer as they minister to a group in the church preparing for baptism. They are praising God for providing for Baudouin during a recent car accident. There were people nearby who were able to assist him. Pray that his healing may be complete.
